

The Curious Collectors of Baker Street - The Los Angeles Sherlock Holmes Society
Presents

Eliminating the Impossible The Methods of Sherlock Holmes

Saturday, April 17th 2010

Note date & time  7:00 pm - 11:00 pm

Join the Collectors as we continue our look at Sherlock Holmes, the father of forensic investigation. We get inside Holmes' head to ascertain why he was quoted saying, "No man lives or has ever lived who has brought the same amount of study and of natural talent to the detection of crime which I have done!" Not only will you learn the methods Sherlock Holmes used, you'll be able to apply them.
